JUVENILE SERVICES PLAN**

When: Tuesday, October 17th, 2017

Where: Wahoo Public Library, Conference Room

637 N. Maple Street, Wahoo, Nebraska

Time: 3:00 P.M.

This plan is developed to identify strengths and needs of the juvenile population in each community across Saunders County. The plan will identify services and future goals to enhance the programs available to the juvenile population of Saunders County. Grant funding is received through this plan to better serve at-risk youth, children and families in Saunders County.

Please join us in the discussion to determine what the needs of your community are and help us develop action plans to serve our county's most vulnerable population.

If you have any questions in regards to this notice of meeting, please contact Amber Pelan, Youth Services Program Director, at (402)443-8189 or apelan@co.saunders.ne.us.
